Staff Thoughts

"It's fair season! Check out the calendar to see when we will be heading out to the Dakota County Fair and the MN State Fair to enjoy the fruits of our county and state! Hope that you can join us!" —April Jopek

""Drop-In is a safe space to be your authentic self, share your talents, maybe learn a new skill or just get out of the house for a few hours. Know that you are welcome here." —Melissa Flen

"Don't forget to help us celebrate our grand reopening on -- They'll be lots of treats and hopefully a complimentary picture as a memento of the party. See you there!" — Gary Johnson

"The summer is already halfway over, but do not despair: there are still plenty of opportunities for outdoor activities and for you to be able to enjoy the glorious weather! In August, the drop-in program will be going to the Minnesota State Fair, where you'll be able to select from a smorgasbord of delicious foods... you can't go wrong with cheese curds! What are some of your favorite foods to have at the fair?" —Richard Koegel
