I'm Leah! I'm a case management lead with Horizons! As our days grow brighter, don't forget to take the time to rest, recharge,

Welcome to April! Let's hope we don't see anymore snow this year. I know I am ready to be able to spend some time in the sun. Looking forward to this month, I am excited to head to some Twins games and celebrating Earth day on the 22nd with everyone! Make sure to watch out on the 1st for any pranks! -- Grace H

With the coming of April, spring is a great time to exercise your creativity. As the earth is preparing a colorful show of flowers, grass and trees, I look forward to creating art through coloring, painting and making collages. -- Jonae

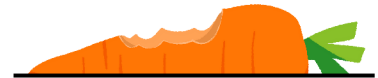

I am so excited that I have already spotted my first Robin of the season! Spring is my absolute favorite! I can't wait for the blossoms to appear on the trees! Please go outside and enjoy the splendor of nature all around us. As always, I am here for you. If you ever need to talk privately, we can meet in an office or in the bubble room. I care about each and every one of you! HAPPY SPRING! -- Betsy
