A WORD FROM STAFF

Happy March everyone! This winter has certainly been a bit wonky, but hopefully this month we start seeing some more warm and sunny weather. I look forward to celebrating St. Patrick's Day with everyone during our party on Wednesday the 18th! If you come in on Wednesdays or Thursdays, you can see me and maybe share a joke or a card game! -- Grace H

Spring is coming, and we are excited to see some fresh (and familiar) faces this season! Join us for the St. Patrick's Day party 3/18 for a fun treat and celebration, and hopefully some outdoor walks as the warmer weather approaches! -- Gracelynn P.M

Well, March brings Spring to the calendar. As part of that, we will be writing letters to our government representatives to protect the programs that we rely on for our mental health. Drop by and help us out. -- Gary J

I am Anastacia Luckman and am a Drop In/Mental Health Case Management Supervisor. Our goal in the Drop In center is to work towards giving members more options of groups and activities available to them from member input on their interests. One such group called "Neighbors Helping Neighbors" provides a safe space that members can attend either in person or virtually to discuss their community and supporting each other in regard to the recent ICE activity.
